# Blood Unit Will Visit Kingston Tuesday at Noon

The Mobile Blood Donor Unit from New York is to be at the municipal auditorium Tuesday and hopes to secure 200 pints of blood for the Red Cross blood bank.

At the Red Cross headquarters on Fair street it was stated this morning that enough persons had signed up to account for the amount of blood wanted from Kingston donors Tuesday, providing all appeared.

It was emphasized that it was expected that these donors would keep their appointments, as this patriotic service never was more needed than now.

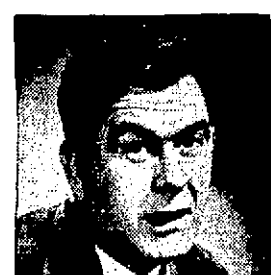

"That's what the man said!"

"I've been figuring on a new car soon as the shooting stops."

"But that auto expert said in the paper that we may have to make our old cars last for 2 or 3 years after victory. That's bad news for me!"

"My Gulf man had some good news, though. He said Gulfpride\* and Gulflex\*\* will help keep my car on the road for a long time—more than likely until I get a new one."

"He's an expert, too. Sells the finest lubrication there is. So I'm going his way—and we'll ride right up to that new car!"

## \*GULFPRIDE FOR YOUR MOTOR

An oil that's TOUGH in capital letters... protects against carbon and sludge!

## \*\*GULFLEX FOR YOUR CHASSIS

Knocks out friction of up to 39 vital chassis points! Protection plus!

For the life of your car—go Gulf!

## All Kingston Pupils Are Above Average At Music Finals

All of the music students from the Kingston schools who entered the New York State Music Association Sectional Finals held at Catskill this week-end rated above average. Ten received one rating which are superior grades and nine received two ratings which are excellent grades. In all there are five ratings on which the judges base their opinions; three signifying average; four, fair and five, poor.

The group entered in the vocal soloists' competitions were rated as follows: Helen Edwards, one plus; Valerie Beam, Jean Laidlaw, James Halbert, Betty La-Tour, Floyd Vogt, Eganline Barnmann, one; Ruth Palen, one minus; Gretchen Bence, Richard Baker, Beth Sherman, two plus; Richard Castiglione, Collette Magnusson, Joan Lynch, two.

The twirlers of the Kingston High School band were rated: Arlene Van Buren, Lole Groswell, Wilma Tidemann, Patricia Mann, one; Marie Steinmiller, one minus; Janet Silbs, Doris Abbott, Sharon Leacraft, Jean Hotelling, two plus; Verabelle Crisman, two.

The instrumentalists were rated: Bruce Decker, piano, one minus; Peter Nekos, high school clarinet, two; George Beck, ninth grade, clarinet, two; Robert Straley, eighth grade, clarinet, two; Richard Campbell, eighth grade, clarinet, one.

All of the vocal entries were coached by Leonard Stine and the twirlers and instrumentalists by Anthony J. Messina and Miss Helen Loughran. Because of the preparation needed for the recent band concert at Kingston High School many of the instrumentalists who would be eligible did not compete in the state finals. The high school A Cappella Choir was not entered this year because of traveling conditions and because of the recent trip to the Sauergeries, Catskill and Hudson High Schools.

## National Day Is Observed at Hospital

The 125th anniversary of the birth of Florence Nightingale was observed at Kingston Hospital Saturday. During the afternoon, people visited the hospital where they were greeted by Mrs. Harold Loughran, Mrs. Evan Davis, Mrs. William Brigham, Mrs. Mortimer Downer, members of the auxiliary; Miss Almira Porter, director of the hospital school of nursing, and Miss Jessie P. Allan, superintendent of the hospital who acted as hostesses.

Miss Dolores Boyle, Miss Evelyn Norris, Miss Mildred Harder and Mrs. Virginia Myers, members of the Nurses' Alumnae Association conducted the guests through the building.

The nurses' home was decorated with spring flowers. Mrs. Vere Nessel, noted pianist, entertained the guests with several selections while Mrs. Chester Van Gaasbeek and her committee served punch and cookies. Those assisting Mrs. Van Gaasbeek were Mrs. S. B. Schwarzwelder, Mrs. Roy Sutcliffe, Mrs. Parker K. Brinnier, Mrs. Stanley Winne, Mrs. Albert Salzmann, and Mrs. Harold Styles.

The auxiliary expresses its appreciation to all who cooperated in making hospital day a success.

## War Bond Show at Broadway Theatre Monday, May 21

Those who attend the War Bond Show in the Broadway Theatre, Monday night, May 21, will see the long and short of it in music when the 55-piece Combat Infantry Band plays on the stage.

This band, composed of men who have seen service on the various battlefronts of the world, will appear at the theatre in conjunction with the movie, "Diamond Horseshoe," featuring some of the silver screen's most outstanding stars.

The Army Signal Corps photo above shows T/4 Carl Gandi, smallest man in the band, comparing the size of his massive tuba with the little piccolo played by T/3 Stanley M. Weiner.

Sergeant Gandi spent 30 months in the South Pacific while Corporal Weiner was in the Alutians for 10 months before joining the new ground forces musical group which is made up of soldier musicians from every U. S. war zone.

Featured in the movie are Betty Grable, Dick Haymes, Phil Silvers, Billy Gaynor, Frankie Kaye, Carmen Cavallaro, Willie Solfer, Margaret Dumont, Roy Rogers, George Melford, Hal K. Dawson, Kenny Williams, Reed Hadley, Eddie Acuff, Edward Gargan, Ruth Rickaby.

"I'm proud to be able to say that we are able to offer this picture to the movie goers of Kingston and Ulster county," said Manager Case, "and I hope that there will be many patriotic Americans in the audience to greet these combat infantrymen next Monday night."

"In order to prevent a last minute rush, it is suggested that Bond buyers get them now," he added.

## Kingston Girl Chosen May Queen Attendant

Penn Yan—Miss Jane Hulton, second row, left, daughter of Mrs. Joseph R. Hulton of 11 West Chester street, Kingston, a sophomore at Keuka College, Saturday, May 19. The May Queen, whose identity will be kept a secret until the actual crowning, will be crowned by Barbara Fermoil of Rochester, center of second row. Other attendants are, front row, left to right: Lois Hall of Ilion, Jean Shoemaker of Hammondsport; second row, left to right: Miss Hulton, Dorothy Somers of Rochester, Miss Fermoil, Mary Yaw of East Aurora, and Jane Shaner of Fortville.

## Artists Announced For Concert Season

With the success of the Community Concerts Association campaign last week the artists for the concert will be The Baltimore Symphony Orchestra under the direction of Reginald Stewart; Walter Cassell, baritone; and Hilde Somer, pianist. These artists were chosen by the artist committee at its meeting Saturday night.

Walter Cassell is returning by popular demand. He appeared this season with the Metropolitan Opera Quartet and won such favorable comment that he will be heard in a solo concert this season.

Hilde Somer is a Viennese pianist who at the age of 16 had become a favorite with the European audiences. She left Austria when Hitler came into power and is now an American citizen. She has appeared with the major orchestras in this country.

## WHEN THE BRIDESMAIDS USHER

Due to the absence of many—often times all—of the bridegroom's friends, it has become quite usual for the bridesmaids to serve as ushers. On occasion, two or four, wearing the uniforms of the services, take the part of the ushers, exactly. Usually, however, the bridesmaids take the double part.

They wear not too fancy bridesmaids' dresses (not too fancy meaning no exaggeration of space-taking skirts or size of picture hats). Simple tailored dresses—street-length or long, with small hats or head trimming and gloves most certainly are worn.

They are on duty half an hour before the wedding, greet guests and walk with them just as ushers do. They do not offer their arms, except to someone who is old or for other reason in need of assistance. They escort men as well as women and must not show preference to the former! When escorting a man and wife, the usher walks with the wife and the husband follows alone. She walks beside a man who is alone. If a man offers his arm, she would take it, of course, rather than refuse.

The idea of a reader that each wear a ribbon on her shoulder marked "usher," suggests a ballroom or theatre rather than a church. As a matter of fact, it is easy to see that there are several dressed alike.

When the bride arrives, they get their own bridesmaid's bouquets, if not in uniform, and walk ahead of bride, two by two. If they are in uniform, they neither wear nor carry flowers.

## LOW-DOWN THIEF TAKES FAMILY'S RED POINTS

Mrs. John Hill wouldn't have minded so much if her imitation pearl choker had been stolen... but her precious red points! The crime was revealed when she discovered that extra red points were going into the garbage can simply because she wasn't saving odd bits of fat, as well as the easy amounts from frying.

Now she saves every scrap of fat trimmed off meat or left on plates. Once a week she melts it down, pours it into the salvage can. It adds up to more points for the Hill family. More fat to help make war—and home-front essentials. Hooray!

**Walker Returns**  
New York, May 14 (AP)—Mickey Walker, former welterweight and middleweight champion of Elizabeth, N. J., returned Sunday from a six-month, 45,000-mile U.S.O. tour covering Trinidad, South America, Egypt, Iran, Puerto Rico, Arabia and the Azores Islands.  
Joe Pasco, of Brooklyn, champion pug puncher, and Jack Redmond, New Haven, Conn., trick shot golfer, returned with Walker.

**Crisler Back**  
New York, May 14 (AP)—H. O. "Fritz" Crisler, University of Michigan football coach, has returned from a 10,000-mile tour of army installations in the Panama Canal Department.

**Combination Broken**  
Philadelphia, May 14 (AP)—The first brotherly keyhole combination in major league history has been broken up.  
Eighteen year old Granville Hammer, half of the Richmond, Va., infield duo, was shipped yesterday to Utica, N. Y., in the Eastern League for "further seasoning." General Manager Herb Pennock of the Philadelphia Phillies said.

His brother, Wesley Garvin, currently holds the Phils' second base assignment.

**Ice Games for South**  
Atlanta, May 14 (AP)—Hockey games and ice carnivals for the sunny South?

A million dollar sports arena of Georgia marble and cream brick, with a 7,500 seating capacity, is to be built here as soon as materials are released by the government.

It will be equipped with giant freezing units that can turn the floor into large sheets of ice for professional hockey games.

**Next-to-Last Lap**  
Seattle, May 14 (AP)—The first two of six blocks scheduled here between Walker Cochran and Willie Hoppe were to be played today as the two cue masters entered the next-to-last lap of their transcontinental three-cushion billiard match.

They will play afternoon and evening blocks today through Wednesday, then depart for San Francisco to wind up their series.

Hoppe now holds a 42-point lead, 3951 to 3912, as a result of splitting closing play in Portland Saturday. There, Cochran won the night play 69-50 in 40 innings after Hoppe had taken the day match 60-55 in 30 innings.

**Basora-Robinson**  
Philadelphia, May 14 (AP)—Joe Basora's three-year quest for a bout with Harlem's Ray (Sugar) Robinson comes to an end tonight.

Three times over that three year span, Robinson has called off scheduled encounters with the Puerto Rican—but this time it appears as if the pair are really going to match fists.

Premier Herman Taylor figures Basora to be a good evening, an overdrawn card at Compton Hall of 15,000 paying upwards of \$50,000.

Robinson, sometimes dubbed "the uncrowned king of the welterweights," will enter the ring a 2 to 1 favorite. He has lost only once in 55 bouts, and that loss was to middleweight Jake LaMotta, whom he defeated three other times.

Sealing 154 pounds, Basora will outweight the Harlem puncher by eight pounds, and has the reputation of being a foxy boxer and a counter puncher who can attack with ferocity.

(Associated Press Sports Writer)

They finally scored on rookie Dave Ferriss of the Boston Red Sox, but not before he had established a new modern record for a pitcher beginning a major league career.

By hurling four scoreless frames in the opener of Sunday's double-header with Detroit, the remarkable Army Air Forces dischargee extended his string to 22 scoreless innings to better the former mark of 192 2/3 set by Thomas J. (Bucky) O'Brien, also of the Red Sox, in 1911.

Ferriss went on to beat the Tigers, with the famous Paul (Dizzy) Trout on the mound, 8-2, giving up nine hits and striking out 10, for his third victory against no defeats. The 23-year-old, six-foot-two-inch and 200-pound freshman, who won 20, lost eight, and batted .417 for the Randolph Field Ramblers last year, also singled in a run, his sixth hit in nine times at bat for a .567 batting mark.

Allan Benton gave the Tigers an even break when he blanked the Sox 2-0 with three hits in the nightcap. In winning his fifth game without a defeat, the ex-sailor notched his third shutout and has given up but 22 hits and two runs, one earned, in 45 innings, for a remarkable 0.20 earned run average per game. The major league record is .90 set by Ferdie Schupp of the New York Giants in 1916.

The Chicago White Sox climbed back into first place in the American League by winning two games from the Washington Senators, 5-1 and 4-2, while the New York Yankees split with Cleveland, winning the opener 1-0 in 10 innings and losing the nightcap 4-2.

Thornton Lee gained his fourth triumph in the opener and Orval Grove his second in the nightcap. Although the Yankees lost their grip on first place, veteran Alton Donald did not lose his mastery of the Indians. In blanking Cleveland with seven hits, Donald gained his 13th triumph over the Tribesmen against one defeat. His only loss came August 21, 1941, when he was beaten by Bobby Feller 2-0.

The Indians came back to beat Ernie Bonham in the nightcap behind Steve Gromek for the latter's third victory.

The largest crowd of the National League season, 38,056 paid, watched the first place Giants split with the world champion St. Louis Cardinals, the Giants winning the opener 4-3 and the Redbirds taking the nightcap 6-5. Nap Reyes drove in the winning run in the opener and Elvin Adams did the same for the Cards in the finale. Mel Ott hit the 49th home run of his career and his 45th of the season.

A crowd of 25,144 saw Brooklyn gain their eighth straight by beating Cincinnati 10-3 in the opener of a scheduled double header. Rain washed out the second game.

Vern Stephens banged out his sixth homer as the St. Louis Browns and Philadelphia Athletics split. The Mackmen won the opener 4-1 behind freshman Luther Knerr. Connie Mack tried his luck with another rookie, Steve Gerkin, in the nightcap, but the Browns fell on Gerkin for seven runs in the eighth to win 8-2.

Pittsburgh and Philadelphia split. The Pirates winning the opener 9-6 by virtue of eight runs in the third, and the Phils annexed the nightcap 6-5. Vince DiMaggio drove in three runs for the Phils in the afterpiece.

Rain played havoc with the Chicago-Boston scheduled twin-bill, limiting them to one curtailed game which the Braves won 3-2 in seven innings.

**Traveling Slash May Be Hard Blow To Sports Program**

Washington, May 14 (AP)—Athletic leaders adopted a wait-for-developments attitude today in the wake of O.D.T.'s disclosure that sports may be hit hard by further travel curtailment.

Pointing to the tremendous redevelopment war problem, J. Monday Johnson, O.D.T. director, said Saturday that sports will be "lucky" to play out regular schedules this summer and fall unless Japan quits quickly.

In summarizing the sports situation, Johnson said that:

The All-Star major league game, voluntarily cancelled by baseball, cannot be restored.

Headline horse races like the Kentucky Derby, Preakness and Belmont Stakes will be conducted on a "trolley car" basis.

The World Series cannot be held unless one city wins both pennants as St. Louis did last year.

Boxing games will be "out of the question," and college games will be played on "home" fields only with no "extra" or "exhibition" contests.

"Everything not strictly dedicated to the war (with Japan) will have to get out of the way and we haven't got time to argue," Johnson said.

Sports leaders felt, however, that wartime conditions have improved greatly for them in recent weeks and that they now are in position to rock along while hoping for the best.

**Cubans Lose, 5 to 2 To Philadelphia Stars**  
The Philadelphia Stars defeated the New York Cubans 5 to 2 in a Negro National League game at the Yankee Stadium Sunday. The second game of the scheduled double-header was called off because of rain with the Stars leading, 1 to 0, in the second inning.

## Twaalfskill Pros Meet

This foursome recently tried out the Twaalfskill Golf Club course and put their okay on the links for this season. In the center are Sergeant Walt Thiel, former pro, and Frank Ball, wearing sweater, who is replacing him while he fights for Uncle Sam. At extreme left is John Van Gonsie and right, Ed Modjeska, honorably discharged veteran of two World wars. While serving in Asia, Thiel laid out and supervised the building of a golf course for which he received worldwide publicity.

## Kingston to Play In Saugerties on Tuesday Afternoon

Contest Tuneup for DUSO Tilt With Middies on Their Field Friday

Hoping to return once more to the victory column, Kingston High School baseball squad travels to Saugerties Tuesday afternoon to meet the Blue and White. This contest is slated as a tuneup game for the DUSO game in Middletown Friday.

Coach Pete Hatch has been drilling the boys in fielding and how to pick up hits for it was wild throws that cost the Maroon a 3-0 loss to Newburgh Friday. "I hope that loss has taught the boys to keep their heads," the Maroon mentor told the press, "and I also hope that they have learned to look before they throw the ball."

However, Hatch continued, if they do better against Saugerties and the rest of their opponents from now on, they will have proved by those mistakes.

It is expected that Bobby Steltz will again get the hurling nod in Tuesday's battle with Saugerties. Steltz started against Newburgh Friday but was removed after 3 1/2 innings although he allowed no hits. Cy Brown finished up the game and it is expected that he will start against Middletown Friday.

Saugerties, although it is a much smaller school, has always given the Kingston boys a run for their money when it comes to baseball. A great rivalry exists between these two schools and a victory over the other is a great win for either of them. Aided by the ace pitcher, Whitely Kaufman, who hurled three shutouts and one no-hitter against the Maroon, Saugerties has defeated Kingston the last four times in a row.

The Maroon and White will be out to avenge these defeats and the probable starting lineup will be Bill Crosby on first base, Johnny Vertelus at second, Capt. Gus Koch at short, Tex Brown at third base, Cy Brown in left field, Red Gersline in center, George Glaser in right, Bill Glaser catching, and Steltz, pitching.

**Knitters Pin Champions**

Sure War Needs  
Are No Dream

SGT. LINDOW

AP Newsfeatures  
Maybe it's all a dream, Sgt. Carl B. Lindow fears when he finds himself in a real American hospital. But he is certain that the need for pushing the war to a conclusion is no dream—as he makes clear in his letter.

Letterman General Hospital, San Francisco, Calif.

To the readers of The Freeman:

I'm back home back in the United States, eating three square meals a day—and I have to pinch myself to make sure I'm not dreaming.

You talk of sacrifice. I've seen it. I've been where sacrifice—and nothing else—existed—and that's no lie!

I'm among the lucky ones—a touch of beriberi was all I got out of it. Some of the fellows didn't fare so well.

I was at Bilibid prison for two months but before that the Japs had me working on motors for them. The Japs are the world's worst mechanics.

After my leave in my home town, I'll go to a hospital in Chicago and then I'll start out fighting Japs again—maybe I'll wind up in the Philippines.

We've got to get this scrap over—and we all have our part to play—the people on the home front as well as the men on the fighting fronts. Tell them to do all they can. The boys need their help.

Sincerely,

Sgt. Carl B. Lindow,  
Friendship, Wis.

E. W. Hamm Dies

LYONS, N. Y., May 14 (AP)—Former State Assemblyman Edison Wellington Hamm, 84, died yesterday.

Hamm was dean of the Wayne County Bar. A Republican, he served two years in the Assembly and was co-sponsor of legislation to license osteopaths in the state. He was a native of Sharon Springs and held degrees from Albany Law School and the National University of Washington.

Marines Push Into  
Section of Naha

disastrously. Guns from ships and ashore broke up the amphibious force and sank every landing boat. Inland the First Marine Division under Maj. Gen. Pedro A. Del Valle broke up a strong counter-attack and then moved southeastward from the village of Dakeshi against the approaches to the major enemy stronghold of Shuri, second city of Okinawa.

The Yanks were steadily tightening a noose on Shuri, a veritable fortress city. The 33rd Regiment of Bradley's 96th Infantry Division sealed important Conical Hill, about one mile from Shuri.

Maj. Gen. Andrew D. Bruce's 7th Infantry Division, meanwhile, took high ground near Conical Hill. The 7th was under some of the heaviest mortar and artillery fire of the Okinawa campaign.

A few enemy planes approached American shipping at Okinawa yesterday but caused no damage. A strong Japanese air fleet struck on Friday and damaged several U. S. Fleet units. In all, 93 attacking planes were shot down. Seventy-six enemy aircraft were destroyed in other actions for a one-day total of 169.

A major unit of the U. S. Fleet was damaged by air attack the same day, carrier planes made low-level attacks on the Amami group of the Ryukyus, north of Okinawa.

Shore installations on Minami Daito Island, east of the Ryukyus, were bombed Thursday.

Americans Gain at Davao

Manila, May 14 (AP)—Americans of the 24th Infantry Division hacked away at stubborn Japanese lines near Davao City on Mindanao today while the 40th Division, capturing the extensive Dul Monte air center, sped south to blast the big Philippine island.

On northern New Guinea, meanwhile, Australians captured long-contested Wewak, by-passed earlier by American troops. Gen. Douglas MacArthur announced in his communique today.

The Japanese were throwing everything they had into the fight northwest of Davao in an attempt to pin down the 24th Division near Davao Gulf on Mindanao.

The Nipponese used rocket fire in hope of stemming the steady Yank advance between the Talamo and Davao rivers.

Juncture of the three U. S. Divisions—the 40th to the north, 31st in the middle and 24th at the south—could cut this second largest Philippine island through the center and split the estimated 50,000 enemy troops garrisoned there.

Maj. Gen. Ralph Bruns's 40th Division, which landed Thursday on Macajalar Bay, already was speeding toward a juncture with the 31st, less than 60 miles away at captured Maramag air field in the Highland interior.

Del Monte Is Taken  
Against light opposition, the 40th stormed up narrow Gorges onto the inland plateau, captured Del Monte, with its three airfields, and pressed two miles beyond. The fields offer the Yanks a base from which to hammer opposition to the south.

Wewak, a tough core of Japanese resistance for more than two years, fell to Sixth Division Australians in a swift drive from the west. The Aussies, who landed Friday on the northwest of New Guinea peninsula under cover of British fleet units, drove to the edge of the westernmost airfield.

However, field dispatches emphasized that strong military resistance remains in the area. Aussies from the east, supporting the Wewak force in a pincer movement, were seven miles away.

On Tarakan island, off Borneo, Australian and Dutch invaders sent out extensive patrols after overrunning the oil fields. They encountered but few Japanese.

Despite bad weather, heavy bombers plastered Formosa factories and war installations with 260 tons of bombs while medium and fighter bombers swept low over airbases, knocking out many parked aircraft.

MacArthur said targets were left "a mass of flame."

Watch Cigarettes

The appearance of new brands of cigarettes at prices higher than those of the so-called standard brands, is being watched closely and it develops that such prices are not justified, action will be taken the Office of Price Administration announced today. Under O.P.A. regulations, manufacturers of new cigarettes are permitted to use the ceiling price of the most similar cigarette sold by the most closely competitive seller.

ponents; a large electrical plant, and thousands of home factories turning out electrical parts and airplane instruments.

The last Superfortress visitation on Nagoya was March 30 when a small force hit the Mitsubishi plant against light opposition. Five and four-tenths square miles of the city have been burned out prior to today's raid.

Most of Nagoya's construction is more modern than other large Japanese cities but more than 90 per cent is wood and plaster.

The bombers went in a column of squadrons of 11 planes each. More than 5,500 American airmen participated in this mightiest aerial strike ever leveled against Nippon.

The target area had a population of 22,000 to 25,000 persons per square mile. Army spokesmen said Japan could not avoid heavy casualties.

Premature Baby, Born  
At 6 Months, Baptized

Linda Elizabeth, infant daughter of Mr. and Mrs. Melvin A. Passer, Jr., of 8 North Wilbur avenue, was christened on Sunday, May 6, in St. Joseph's Church.

Linda is the six months old premature baby born in the Kingston Hospital on November 12, 1944. At birth she weighed one

the conference has had its greatest success to date.

Technically, progress has been slow on converting the Dumbarton Oaks plan drawn up at Washington by the Big-Four last fall into an actual charter for an organization.

It could be even slower in the future due to the absence of so many top diplomats, even though delegates are finally hard at work in committees. Foreign Secretary Anthony Eden left for London yesterday, flying by way of Washington. Molotov had taken off four days earlier. Foreign Minister Bidault of France may be the next to leave.

The British delegation is now captained by the Earl of Halifax, ambassador to Washington. It issued a statement that Eden leaves San Francisco "with the knowledge that much progress has been made on the vital points and in the confident hope that the work of the conference is well on the way to a successful conclusion."

Foreign Minister T. V. Soong of China has been in Washington but is expected back for most or all of the conference, and Secretary of State Stettinius likewise will see it through though he may have to go to Washington briefly.

Soong's movements once he does leave San Francisco were a subject of speculation in Chungking yesterday. A dispatch from the Chinese capital said he might visit Moscow to try to ascertain Soviet intentions in eastern Asia. The Chinese press has been urging Russia to enter the Pacific war.

Even though the problems of power politics are traditionally European, those of the Pacific are cropping up here more and more. This is particularly true with respect to trusteeships. The United States, with an eye on future Pacific bases in islands captured from Japan, is opposing the Soviet suggestion that the Security Council would have to approve such developments.

A committee of Big-Five delegates is still trying to work out a trusteeship formula with which all can agree.

A solution of the other big conference problem—how to tie regional defense systems into a world league—appears much closer. Big-Five conversations Saturday failed to produce agreement on details. It was recognized, however, that the Pan-American system would have to be given power to act in emergency but that the authority of the World Council would remain supreme.

Your savings invested in War Bonds will help stabilize prices now and provide for your own security in the future.

produce enough food in this country?—  
"That is obvious nonsense. During the 20's and 30's we had surpluses of cotton and grain. The government developed great programs to pay farmers to reduce production of corn, wheat and cotton, to kill little pigs and to store surpluses in the ever normal granaries."

"We saw the ironic spectacle of good things to eat going to waste on farms and in orchards just because the prices would not pay for harvesting and marketing. At the same time there were millions upon millions of people who needed the food."

Forecasting a large increase in consumption of meat, dairy products, eggs and vegetables, DeWey said, that the "family farm will find greater stability and ever increasing importance in the kind of agriculture which will serve these new, ever-rising, standards of diet of a healthy people."

"Here \* \* \* is the symbol of a new approach to problems which have always been treated separately but in reality are one," DeWey said.

"Government alone can accomplish nothing. It can never feed a people. But it can sponsor research and help bring its findings to the home and to the farm. This we are doing in the state college, in the great new research laboratories to be erected at the Geneva Experiment Station and in our food and nutrition services."
